Lead Educator

Toddler Room

Mudgeeraba Education and Care Centre

We have an exciting opportunity for an experienced and passionate Toddler Room Lead Educator to join our team at Mudgeeraba Education and Care Centre.

The service has beautiful eco natural elements to further enhance the children's imagination and exploration. The natural environments along with chickens, food gardens, Bush Kindy program, outside music Centre, rock river bed and mud pit supports nature play learning. We aim to provide an environment where everyone experiences a sense of awe and belonging.

This is a great opportunity to join a dedicated team and work in a stimulating, friendly, welcoming and rewarding environment.

On a personal level you will possess honesty, integrity, professionalism, confidentiality alongside a great sense of humour.

We are looking for someone who has and holds the following:

- Diploma of Children's Services (or above)
- Current Blue Card
- Current First Aid, CPR, Anaphylaxis and Asthma Management Certificate
- Sound knowledge of the Early Years Learning Framework, National Quality Standards, National Regulations and Law
- Genuine respect and passion for children
- Enthusiasm for developing, planning and implementing an innovative educational program with a commitment to nature base learning
- Excellent communication skills

In return we can offer you great working conditions in a professional, friendly and family orientated environment, supported by a team of professional childcare experts.

All applications should include a cover letter and resume, outlining your experience and drive. All applications will remain strictly confidential, and only suitable applicants will be contacted to arrange an interview at a convenient time.
